2019 SUMMER READING PROGRAM

Dear Parents,

The Children's Department is busy gearing up for what promises to be an exciting summer. This summer the theme for our reading program is "A UNIVERSE OF STORIES!" Children will have an opportunity to enroll in this program and attend many other programs and activities. Children will be encouraged to explore new ideas and share wonderful stories by reading and listening, talking and writing, watching and doing. Storytellers, puppeteers, musicians and magicians will be here sharing their talents and enthusiasm. DON'T LET YOUR CHILD MISS OUT! Last year our summer reading club was enjoyed by more than 800 children birth and up.

A complete schedule of events will be available Monday, June 3rd in the Children's Room. We encourage your child's participation.

As you know, reading during the summer helps children retain their reading abilities. One of the goals of our program is to encourage children to read for pleasure in the summer so they will maintain their reading ability. Children need practice to become excellent readers and they need opportunities to experience the joys of reading. The Summer Reading Club Programs at the Seaford Public Library offer opportunities and encouragement for children to do both.
