

## FROM THE PRESIDENT'S DESK

Seaford's the new Orlando! Well, maybe at least in the summertime!! And, it's a heck of a lot cheaper! And, you don't need Fast Pass or the patience for long lines. And, you don't have to worry about delayed and re-routed airplanes or how you are going to get to or from the airport.

Orlando, Florida is well known as the amusement resort capital of the world. Disney World, Universal Studios, SeaWorld and LEGOLAND are all located in this central Florida area. Millions of people flock to this city every year and spend untold amounts on their vacations. But, Seaford may have just as much to offer this summer!

The fabulous Children's Summer Reading Program, "FIZZ, BOOM, READ" will have story hours, films, animal shows, puppet shows, hands-on craft and science programs and music performances. This summer program is annually acknowledged as the finest on Long Island! The Summer Concert Series, "Music for a Saturday Evening," continues a terrific Seaford tradition with four shows, each of the groups have not appeared in our series before. Details of the Concert Series are directly below this column.

The wonderful Young Adult Summer Reading Program, "Spark A Reaction," for Grades 5-12 (see the Lobby Display Case), our full array of free passes to LI and NYC Museums, bus trips and our summer Vacation Loan Program, all will contribute to a action-packed, fun-filled, educationally-enriching summer at your Seaford Public Library.

And you thought I was pulling your leg in my opening paragraph. Have a safe and happy summer in the new Orlando!

Peter J. Ruffner, President, Board of Trustees
